“Turning Fear Into Knowledge Within Your Practice”

Thursday October 6th

Session 101-102: E/M Auditing.....Presenter: Sherry Thomas, CCP, CCP-AS

In this session we will strengthen your auditing skills by reviewing all aspects of E/M documentation and discuss the three key components.....History, Examination, and Medical Decision Making. Hands on exercises will be provided and discussed as a group.

Session 103: Making the Transition from ICD-9 to ICD-10 Coding.....Presenter: Sherry Thomas, CCP, CCP-AS

This presentation will provide an overview regarding the new ICD-10-CM code set as well as the guidelines, structure of this new coding system, documentation issues and auditing. Hands on exercises will be provided and each attendee will receive a copy of the current version of the ICD-10-CM book.

Session 104: Audits, Audits, Everywhere.....Presenter: Lindy Lady, CPC, Kentucky Medical Association

This session will provide you with an overview of the different Healthcare audits occurring today and why so many are being performed. We will discuss what to do *after* an audit and how to take a more proactive approach to prepare for the next audit within your practice.

Session 105: 2012 ICD-9-CM Updates.....Presenter: Nikky Thompson, CCP, CCP-AS
