FROM INDIANA:

Due to the bridge situation coming from Indiana to Kentucky we recommend that you not take the first exit off the Kennedy bridge to I-64 or I-71. Instead we recommend that you take **I-65 South** and stay in the far left lane when approaching the bridge in order to bypass the bumper to bumper traffic of those trying to enter downtown Louisville. Stay in the far left lane until you cross over the bridge. Stay on **I-65 South** until you come to the exit for **Watterson X-ray East (I-264E)**. Take this exit and stay on this for approximately 5.7 miles. Then take **exit 18 to Breckenridge Lane North** and stay on this until you come to **Shelbyville Road** (approximately 6 lights). Turn **left** onto Shelbyville Road and get into the far right lane. (Shelbyville Rd will split: left lane goes to Lexington Rd, right lane goes to Frankfort Ave.) Go to second stop light (Walgreens on left) and **turn right**. Go over railroad tracks and through entrance onto the grounds of Masonic Homes of Kentucky. **Turn right** at stop sign (you will see The Olmstead directly across the land). Follow this around to parking area for The Olmstead (free parking available on both sides of bldg.). Enter through front of bldg.
